We are pleased to welcome you to Jammer's Music Center's lesson program. We are committed to providing you with the best music education available. Regardless of your musical goals, we encourage you to take your lessons seriously with regular attendance and daily practice. Our instructors have the knowledge and have developed programs to impart their knowledge to you. Your effort will be the key to your success.

PAYMENTS

All lessons are \$20.00 per 1/2 hour, and are billed by the calendar month. Tuition is due at the first lesson of each month. Your instructor will ask to see your receipt prior to your first lesson each month. If you are absent for the first lesson, tuition will be due at the next lesson you attend.

Any delayed or partial tuition payments must be approved by your instructor before you begin your lesson. Please do not ask the counter personnel to delay your tuition, or to accept a partial payment. Only your instructor can approve this.

If you are unable to pay your tuition at the first lesson of the month due to some financial hardship, or for another reason, please do not cancel the lesson. We do not want students missing lessons over money. We will be happy to make another arrangement for you, with your instructor's approval.

Students attending lessons after store hours are required to have tuition paid prior to your first lesson each month. Payments can be made at the store during business hours, and by phone with your credit or debit card.

ATTENDANCE

Regular attendance at your scheduled lessons is a major factor in realizing your musical goals. If you cannot attend your lesson you must contact either Jammer's or your instructor on the day prior to the lesson you will miss. You will still pay for the missed lesson, but will be allowed a make-up lesson, which must be arranged with your instructor. If you cancel on the day of your lesson, regardless of the reason, you will be charged for the lesson, and no make-up will be offered. If you cannot attend your make-up lesson, you will forfeit the tuition for that lesson.

Students are permitted two (2) vacation days per calendar year. These are available to the student when you register for your lessons. There is no attendance period necessary before you can take your vacation days. Vacation days must be arranged in advance with either your instructor or Jammer's. No vacation days will be honored "after the fact".

If your instructor is unable to attend your lesson, Jammer's and/or your instructor will make every effort to contact you. Please be certain that your contact information is up-to-date with both Jammer's and your instructor. You will receive a credit for any lessons your instructor cannot attend.

Please be prompt. If you are late for your lesson, you will receive the balance of your 1/2 hour session. If your instructor is late, you will receive the entire 1/2 hour lesson.
